HOMECOMING COURT ANNOUNCED

Traditionally, Homecoming Queen is announced at the homecoming rally which is held before the Burbank-Burroughs game. This year ten girls were nominated by the fall athletic teams; cross country, water polo, and football. The girls nominated were Cori Stockman, sophomore, Viki Deckman, junior, Patti Ginetti, Lisa Friedrichs, Jill Iverson, Karen Lowe, Julie Patterson, Kim Van Vlack, Wendy McElhiney and Caryn Daggett; all seniors. Crowned princesses were JILL IVERSON, JULIE PATTERSON, and KIM

VAN VLACK. MISS WENDY MCELHINEY was crowned Fall Homecoming Queen. Team captains of the individual fall sports crowned the three princesses and the Queen.

After the excitement of the rally, the Homecoming Queen court reigned at the inter-city rival game between the Burroughs Indians and the Burbank Bulldogs. The court was applauded as they were chauffeured around Memorial Stadium.

HER MAJESTY: THE QUEEN

The girls nominated for 1974-75 Basketball Sports Queen were; Shari Bigbee, Karen Daggett, Patti Ginnetti, Jill Iverson, Kathy Lowe, Karen Lowe, Wendy McElhiney, Julie Patterson, Heidi Richardson, and Kim VanVlack. Out of the ten nominees Julie Patterson was chosen as Queen, her Royal Court consisted of: Kim VanVlack 1st princess, and a tie for 2nd princess between Karen Lowe and Jill Iverson. The girls were nominated and elected exclusively by the Basketball teams. The Queen and her court were announced at the second round of the annual Burbank-Burroughs Basketball game.

MASCOTS AND CHEERLEADERS HELP PROMOTE SPIRIT

This year Burroughs was represented by two outstanding mascots. MARSHA RAMIREZ and RANDY STONE. They put in a lot of time and energy to make their performances perfection plus Their dazzling personalities and incomparable charm helped generate spirit within the student body. Full of delightful enthusiasm and bubbling over with unmatched spirit were the Junior Varsity Yell Leaders VIKI DECKMAN and ANNIE DONOVAN. As head of the delightful duo Annie, demonstrated ingenious acts of promoting spirit. Returning to play the second half of another winning game were the mighty Indians. Leading the players through the teepee was number 76-RON WOLLARD. As head Varsity Yell Leader CARYN DAGGETT planned practices as well as new cheers. JANET FARRELL generated a lot of spirit for our well deserving team. THERESA CONRAD did an exceptional job of getting the student body fired up. CINDI LOGAN dazzled everyone with impressive cheers and delightful charm. CINDY ROBERTS sparked up excitement when she displayed her vocal ability while conducting cheers. With all this talent representing our school it is no wonder Burroughs is Number One.

SONG LEADERS

PAIR UP WITH TWIRLERS

Always on the field when they were wanted were this years Junior Varsity and Varsity Song Leaders, Majorettes, and Flag Twirlers. This years J.V. Song Leaders were DEBBIE SAGESTER, PRISCILLA OHANIAN, and KATHY LOWE. They worked with their captain ANNIE DONOVAN, a J.V. Yell Leader. The Varsity team was made up of seniors, JILL IVERSON, KAREN LOWE, PATTI GINETTI, KIM VAN VLACK and captain WENDY McELHINEY. Taking care of the twirling were Majorettes, DONNA KIRKPATRICK and captain RENEE GODBEY, along with Flag Twirlers, MELODY COOPER, LORI SOLIS, JULIE LaPRATH, DANA BRANDT, RENEE DOMENICALI, SUE FRANKAMP, PAULETTE REEVES, VICKI GIBBS, and their captain JULIE WILLIAMS. Sponsoring the girls was MRS. CAROLYN WYATT

FIRST RALLY... ROCK STEADY!

1974-Change happened a lot at Burroughs. And the rallies were no exception. Instead of being held in the auditorium or out on the bleachers as is the tradition, everyone went in to the boy's gym. Although everyone was pretty spirited already, the familiar faces of the cheerleaders were there to lead the cheers to get everyone more spirited than they started out. RANDY STONE and MARSHA RAMIREZ brought to life the famous Burroughs Indian mascot. The flags made the cheers even more colorful. JULIE WILLIAMS, DANA BRANDT, SUE ANN FRANKAMP, RENEE DOMENICALI, LORI SOLIS, MELODIE COOPER, PAULETTE REEVES, VICKI GIBBS and JULIE LaPRATH are the talented Twirlers of 1974. The flags also put on a funny skit with other spirit groups. These included song-leaders: WENDY McELHINEY, KIM VAN VLACK, JILL IVERSON, KAREN LOWE and PATTI GINETTI (varsity) PRISCILLA OHANIAN, DEBBIE SAGESER and KATHY LOWE (j.v.). Of course rallies must have a lot of yelling and CARYN DAGGETT, CINDI LOGAN, CINDY ROBERTS, JANET FARRELL, TERESA CONRAD (varsity), VIKI DECKMAN and ANNIE DONOVAN (j.v.), the school's yell leaders made as much noise as was needed.

WE'RE NUMBER ONE NUMERO UNO # ONE # 1!

After every game the final cheer was "We're number one," and that's exactly how the varsity football team came out in the Foothill League. The captains of the victorious team were offensive tackle RON WOLLARD and defensive guard STEVE GRISWOLD.

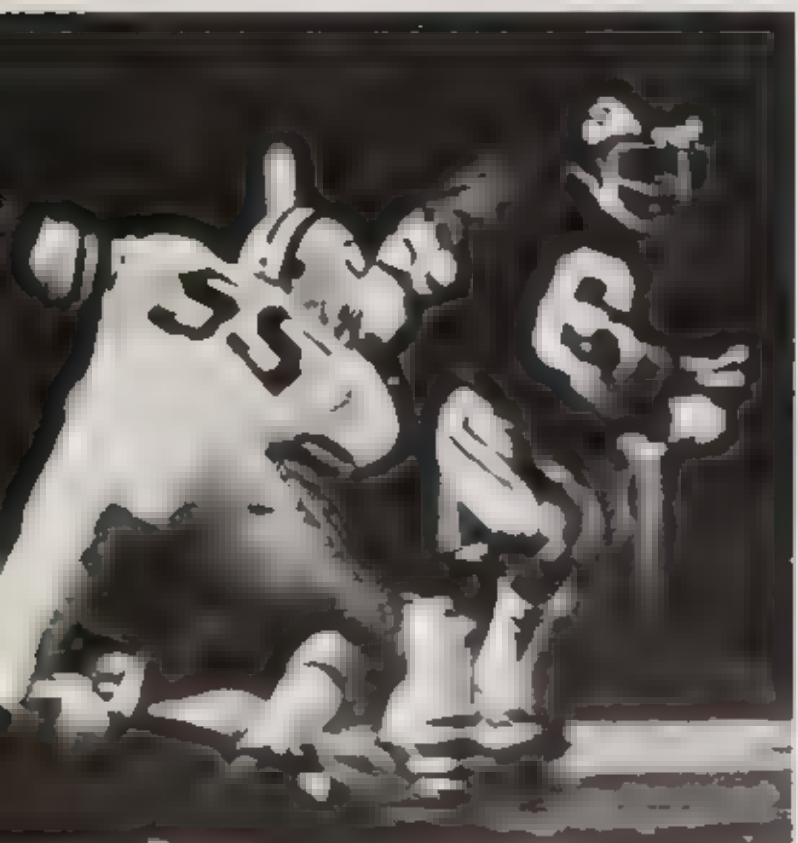

To be a number one team, there needs to be a good set of coaches behind the players. Burroughs has a set of excellent coaches. The coaching staff included BOB DUNIVANT head, CRAIG BELL, STEVE ARMSTRONG, MARTY GARRISON, and MIKE CURTIN assistants.

What happens when a helmet breaks, or a last minute errand needs to be run before a game? Who does all these things? The managers of course. This year's managers were MONTY VALENTA, JERRY WELDEN, and JOE OLZEWSKI.

"Touchdown, touchdown we want a touchdown." That's what we got when PAT HICKMAN got the ball.

READY, SET, HIKE,

PASS, CATCH, RUN, TOUCHDOWN!

When was the last time a varsity football team in Burbank went undefeated through the whole season? It was 47 years ago, 1927 that this happened. Speed and determination were two things the Indians had in their favor when PAT HICKMAN got the ball. What would a quarterback do without a center? Who would the center hike to if there wasn't a quarterback? Burroughs didn't have to worry about either of those two questions because we had TOM MILLER at quarterback and GARY WITT at center. "Run Angobaldo run!" Adding more yardage to his yards rushing record during the Canyon game was CESAR ANGOBALDO. Ear to ear smiles were seen on the faces of the varsity football team after defeating Gendale. Throwing downfield was TOM MILLER quarterback. "Let's get them!" That's what was on the minds of TONY DEFELICIS, STEVE GRISWOLD, AL CUNNINGHAM, and RICH EMANLEL, during the Crescenta game.

FOOTHILL LEAGUE CHAMPIONS

Wide receiver JOE HOAGE races away during the Hart game to bring the Indians closer to scoring a touchdown. Another pass completed to HANS ANDERSON, wide receiver. You may not be able to see his number but you sure can tell him by his style, HANS ANDERSON. Going up to block a pass being thrown by Glendale's quarterback was defensive tackle, RICH EMANUEL. Waiting for the rush of the Blair Vikings, the Indian specialty team prepares to add another point to their victory. Guard PAUL SMALL clears the way for halfback TONY LALLRIA, during the final league game against crosstown rival Burbank. The final score was 36-0, Burroughs

"JV coaches and players have a very positive outlook for the coming season," said JV Coach Tada. Coach Tada and his assistants A.J. Brick, John Cannon, and Ron Grunden had their team prepared for a well played season. "Although we are not as experienced as last years squad, we think that we have an excellent shot at the league title. "Our passing game led by Bob Pastora at quarterback with Mike Francis, Howard Haffner, and Mike Arroyo as wide receivers, is looking very good," according to Coach Tada. "The Junior Varsity running attack is also coming along with Mario Rodriguez and Jeff Williams at halfback and Jeff Jones at fullback." Leading the offensive line will be Bob Steele and Phil Bertole at tight ends; Art Yanez at center; Mike Weaver, Martin Ponek and James Hamilton at tackle; and Jerry Wollard and Harvey Bazan at guards. "We should have a fine defense, but most of the positions are not settled yet," continued Coach Tada. "The top teams in the league should be Crescenta Valley, Hart, and Burbank, they will be the ones to beat."

2 YEARS STRAIGHT:

J.V. INDIANS WIN LEAGUE TITLE

KELLY BOGGIS, number 80, found himself at the end of a screen play, which figured to be a big play in the contest with Hoover. Number 45-BILL BARBER lays a low blow to the number 12 player from Hart. Quarterback BOB PASTORA found himself biting the dust in a tough league game with Hart. And finally number 44-JEFF WILLIAMS converts running play against a tough Hoover team. The coaching staff plays a prominent role in a football game as J.V. Head coach KEN TADA discusses the next play with PASTORA. In the lower right hand corner PASTORA lays back to throw the bomb to tight end KELLY BOGGIS.

Sophomore coach Merle Stone and his assistants, Bill Long and Tony Dastalfo feel that this year's sophomore teams chances are as good as anyone's to win in the league. "We have more size than we have ever had in a sophomore group," said Coach Stone. "If we play to our size we will be super. Another plus for us is that we have more boys on the squad than in recent years and they seem very willing and anxious to learn. The sophomore team will have a fine running attack led by Mark Zelda, Duff Dyer, and Doug Pritchett at fullback with Don Aguilar at halfback. Other players who will be leading the offensive are Jim Reynolds and John Stocker at quarter back, Tom Braden and Richie Davies at wide receivers, Dave Amarante at center, Bob Kerns and Randy Kissel at guards, and Bob Aguilar and Curtis Singleton at the tackles. Some of the players who will lead the defense are Dan Leggett, Jim Kalisz, Pat Rogers and Luis Ruano in the secondary and Doug Pynes at middle guard. Others are Tom Parker and Kevin Burke at ends, Jeff Mohan and Bob Aguilar at tackles, and Tom Braden as line backers. The players have come a long way this summer, so we are looking forward to a fine season", concluded Coach Stone.

The Sophomore Water Polo team finished the '74 season with an outstanding 6 win 1 loss record, which was good enough for the Sophomore Foothill League Championship. The Braves were led by PAT MORKIN, who scored just over half of the Braves goals, and JIM TINKLENBERG, who was this years captain of the Sophomore team. Others who led the Braves to their championship were JOHN SUMMERS, RANDY DOPP, DON JENSEN and goalie SCOTT MCKINNON. With not as much success was the Varsity and I.V. teams, who both ended very long, disappointing seasons. The Varsity finished with a 1-6 record and the I.V's ended up the season with a 2-5 mark. With many of the Sophomores returning next season, the Indians figure to have a very successful year.

The 1974-75 varsity runners for this year, **BOTTOM LEFT**, are Mark Byrne, Jim Graves, Jon Graves, Gene MacLean, Jon Switzer, Dave Wemyss, and John Whitesel

The J.V. team, **PICTURED AT FAR RIGHT**, consists of Patty Arancibia, Ralph Bernhisel, Ed Cuaron, Tim Doyle, Raul Fernandez, Jerry Hadford, Larry Herron, John Sullivan, and Wendy Workman

This year's newcomers who lettered, **TOP LEFT**, are Chris Alviani, Ben Beckler, Brian Campbell, Dave Crull, Chris Finch, Alex Laddage, and Henry Martin

NOTHING CAN STOP OUR CROSS COUNTRY

It has almost become traditional for our cross country teams to make their annual trek around Griffith Park as they work to get in shape. Training officially began on September 2, although most of the team members ran throughout the summer as well. Coach Jack Drager, top right, is always on hand to provide the extra push needed to spur the runners on. He devotes much of his time each year to our cross country teams. Also, assistant coach Greg Switzer, top left, puts in many long, hard hours, which can sometimes be frustrating, but are rewarding. Pictured below center, are captains John Whitesel, left, and Mark Byrne. Running cross country takes quite a bit of conditioning, and tends to be an extremely demanding sport. Thus, requirements for the team are not only based on running ability, speed, and agility, but also each member must make a serious, determined effort.

RALLY CREATES SPIRIT

Slightly missing his target, ED FIOCK leaned forward to kiss JULIE PATTERSON as she was crowned 1975 Basketball Queen.

Everyone in the audience roared with laughter as members of the Varsity Team took part in a comical stunt. Pictured at TOP RIGHT are TONY DEFELICIS and BRIAN SHERWOOD, chewing their way through licorice, as VICKI DECKMAN looked on.

The mascots performed a short routine, followed by a musical number put on by the Song leaders.

An amusing skit was performed by the Flag girls, in which they assumed the roles of members of the Varsity Basketball Team

As the rally progressed, cheers were led, announcements were made, and finally the big moment came. JULIE PATTERSON looked almost regal as she was crowned Basketball Queen of 1975. Seated behind her were Princesses JILL IVERSON, KAREN LOWE, and KIM VAN VLACK.

"STOP AND SMELL THE ROSES"

WITH MAC AND O.J.

Mac Davis acclaimed country western singer and O.J. Simpson pro football player, were one of many high lites at Burroughs this year. Teachers and students alike rushed to see these superstars. O.J. Simpson showed off a few of his basketball stunts, while Mac went to freshen his make up. When the semi-star and superstar rejoined, they talked to the faculty and student body, signed autographs, and had a few laughs. Mac demonstrated his strength as happy onlookers watched him lift his "studio" weights. Smoke Signal writer BRUCE BORST is eager to obtain an autograph from O.J. He is almost as eager as MISS LYNN RYERSON is to obtain one from Mac. It was a great honor to have Mac and his friends here

JUNIOR JAN BEAR, shown here was one of Burroughs finest all-around athletes. In Track and Field he ran the high hurdles and was also a high jumper.

JUNIOR JON SWITZER was Burroughs best pole vaulter and top triple long jumper. He holds the sophomore record in the vault at 12'9" and finished second in the CIF 4-A pole vault, also as a sophomore.

TRIBE TRACK

TEAM SHOWS TALENT AND SPIRIT

There are many different events in Track and Field and Burroughs usually showed it's strength in most of them with strong individual performances. Pictured are Junior JOHN PAYNE breaking the tape in the 440 yard run against Loyola. Junior ROGER JOHNSON hurtling a distance of over 15 feet in the long jump against Loyola. Senior NORM CARROLL shows Loyola his poise as he slithers 6 feet over the high jump bar and Senior WARREN ROBAK is moments away from passing the baton off into the waiting hands of an anxious Junior JAIRO PENERANDA in the 440 yard spring relays.

BURROUGHS TRACK TEAMS

SHOWED A LOT OF POTENTIAL

Track is a sport that consists of many different events, which requires many different skills. It is an individual sport yet it consists of team scores. Track is a sport that requires a lot of practice and preparation just like any other sport, but the winning of each individual event is something much more rewarding to the individual. Putting the shot for the Junior Varsity was JAIRO PENERANDA. Going up high and clear of the bar was a Varsity Track man. SCOTT STIELOW came in first in this 440 relay. Running to the tape against Loyola's man was JAIRO PENERANDA. JOHN SWITZER goes for the long jump record in this exciting leap. A feeling of accomplishment is the reward our track teams have received. The team did have it's weak spots, but they did enjoy one of their best seasons in many years.

BUMP, SET, SPIKE = GAME

The biggest disadvantage to this year's volleyball teams was the lack of experience. The record of the varsity team was two wins and fourteen losses. Coach LYNN RYERSON stated it was a much improved team from last years". The varsity team won its two games 15-12 and 15-11 over Blair and 15-8 and 15-10 over Canyon. Junior Varsity team coached by HELEN QUAYLE won its only game of the season by beating Blair 15-12 and 15-12. The Junior Varsity Reserves also coached by LYNN RYERSON ended with two wins and twelve losses. They were victorious over Canyon with scores of 15-0 and 15-11. Second victory was 15-5 and 15-7. Games were either held here at Burroughs or at the other CIF Schools on Tuesdays and Thursdays.

For the third consecutive year, Burroughs has elected to participate in the Girl's Inter-scholastic Softball Program, their second consecutive year under CIF. There is much talent in this sport due to the local park programs, and a lot of the talent in the Foot-hill League is found right here in Burbank.

The girls spent a great deal of time and effort as they looked towards a league championship, under coaches Craig Bell, varsity, and Stan Gilbert, junior varsity. The varsity captured the league in the 1972-73 season, while the J.V.'s took the league last year. Above, GENE FRENCH and CARYN DAGGETT pitch batting practice.

Girl's Basketball was a first this year at Burroughs. The team was affiliated with the California Interscholastic Federation, the same as the boys teams. The games packed much excitement for the spectators as well as the players. The first round of competition ended on a sweet note as the girl's varsity team defeated Blair for the first girl's basketball victory at JBHS. Much improvement was seen in the team between their first and last games. At left, DONNA LEWIS gets the tipoff for our Indians.

The 1975 Girls Track Team had many enemies, wet weather being just one of them. The team, with its two divisions, Junior Varsity and Varsity, went under a change in the coaching staff. Mr. Jack Drager took the responsibilities off the hands of previous track coach, Lynn Ryerson. A change in events also made a difference in this year's team. Many of the girls

which had been out other years had to change their specialties. This meant hard work along with late work outs. The captain of the team, Patty Arancibia, worked with her co-captain, Phylis Rubalcava, in organizing the team. Managing the team were manager Cathy Westbury, Dianna Linville, and Lori Brandt and Debbie Allen.

GIRLS TRACK TAKES CHANGES

TENNIS TEAMS SWING THROUGH SEASON

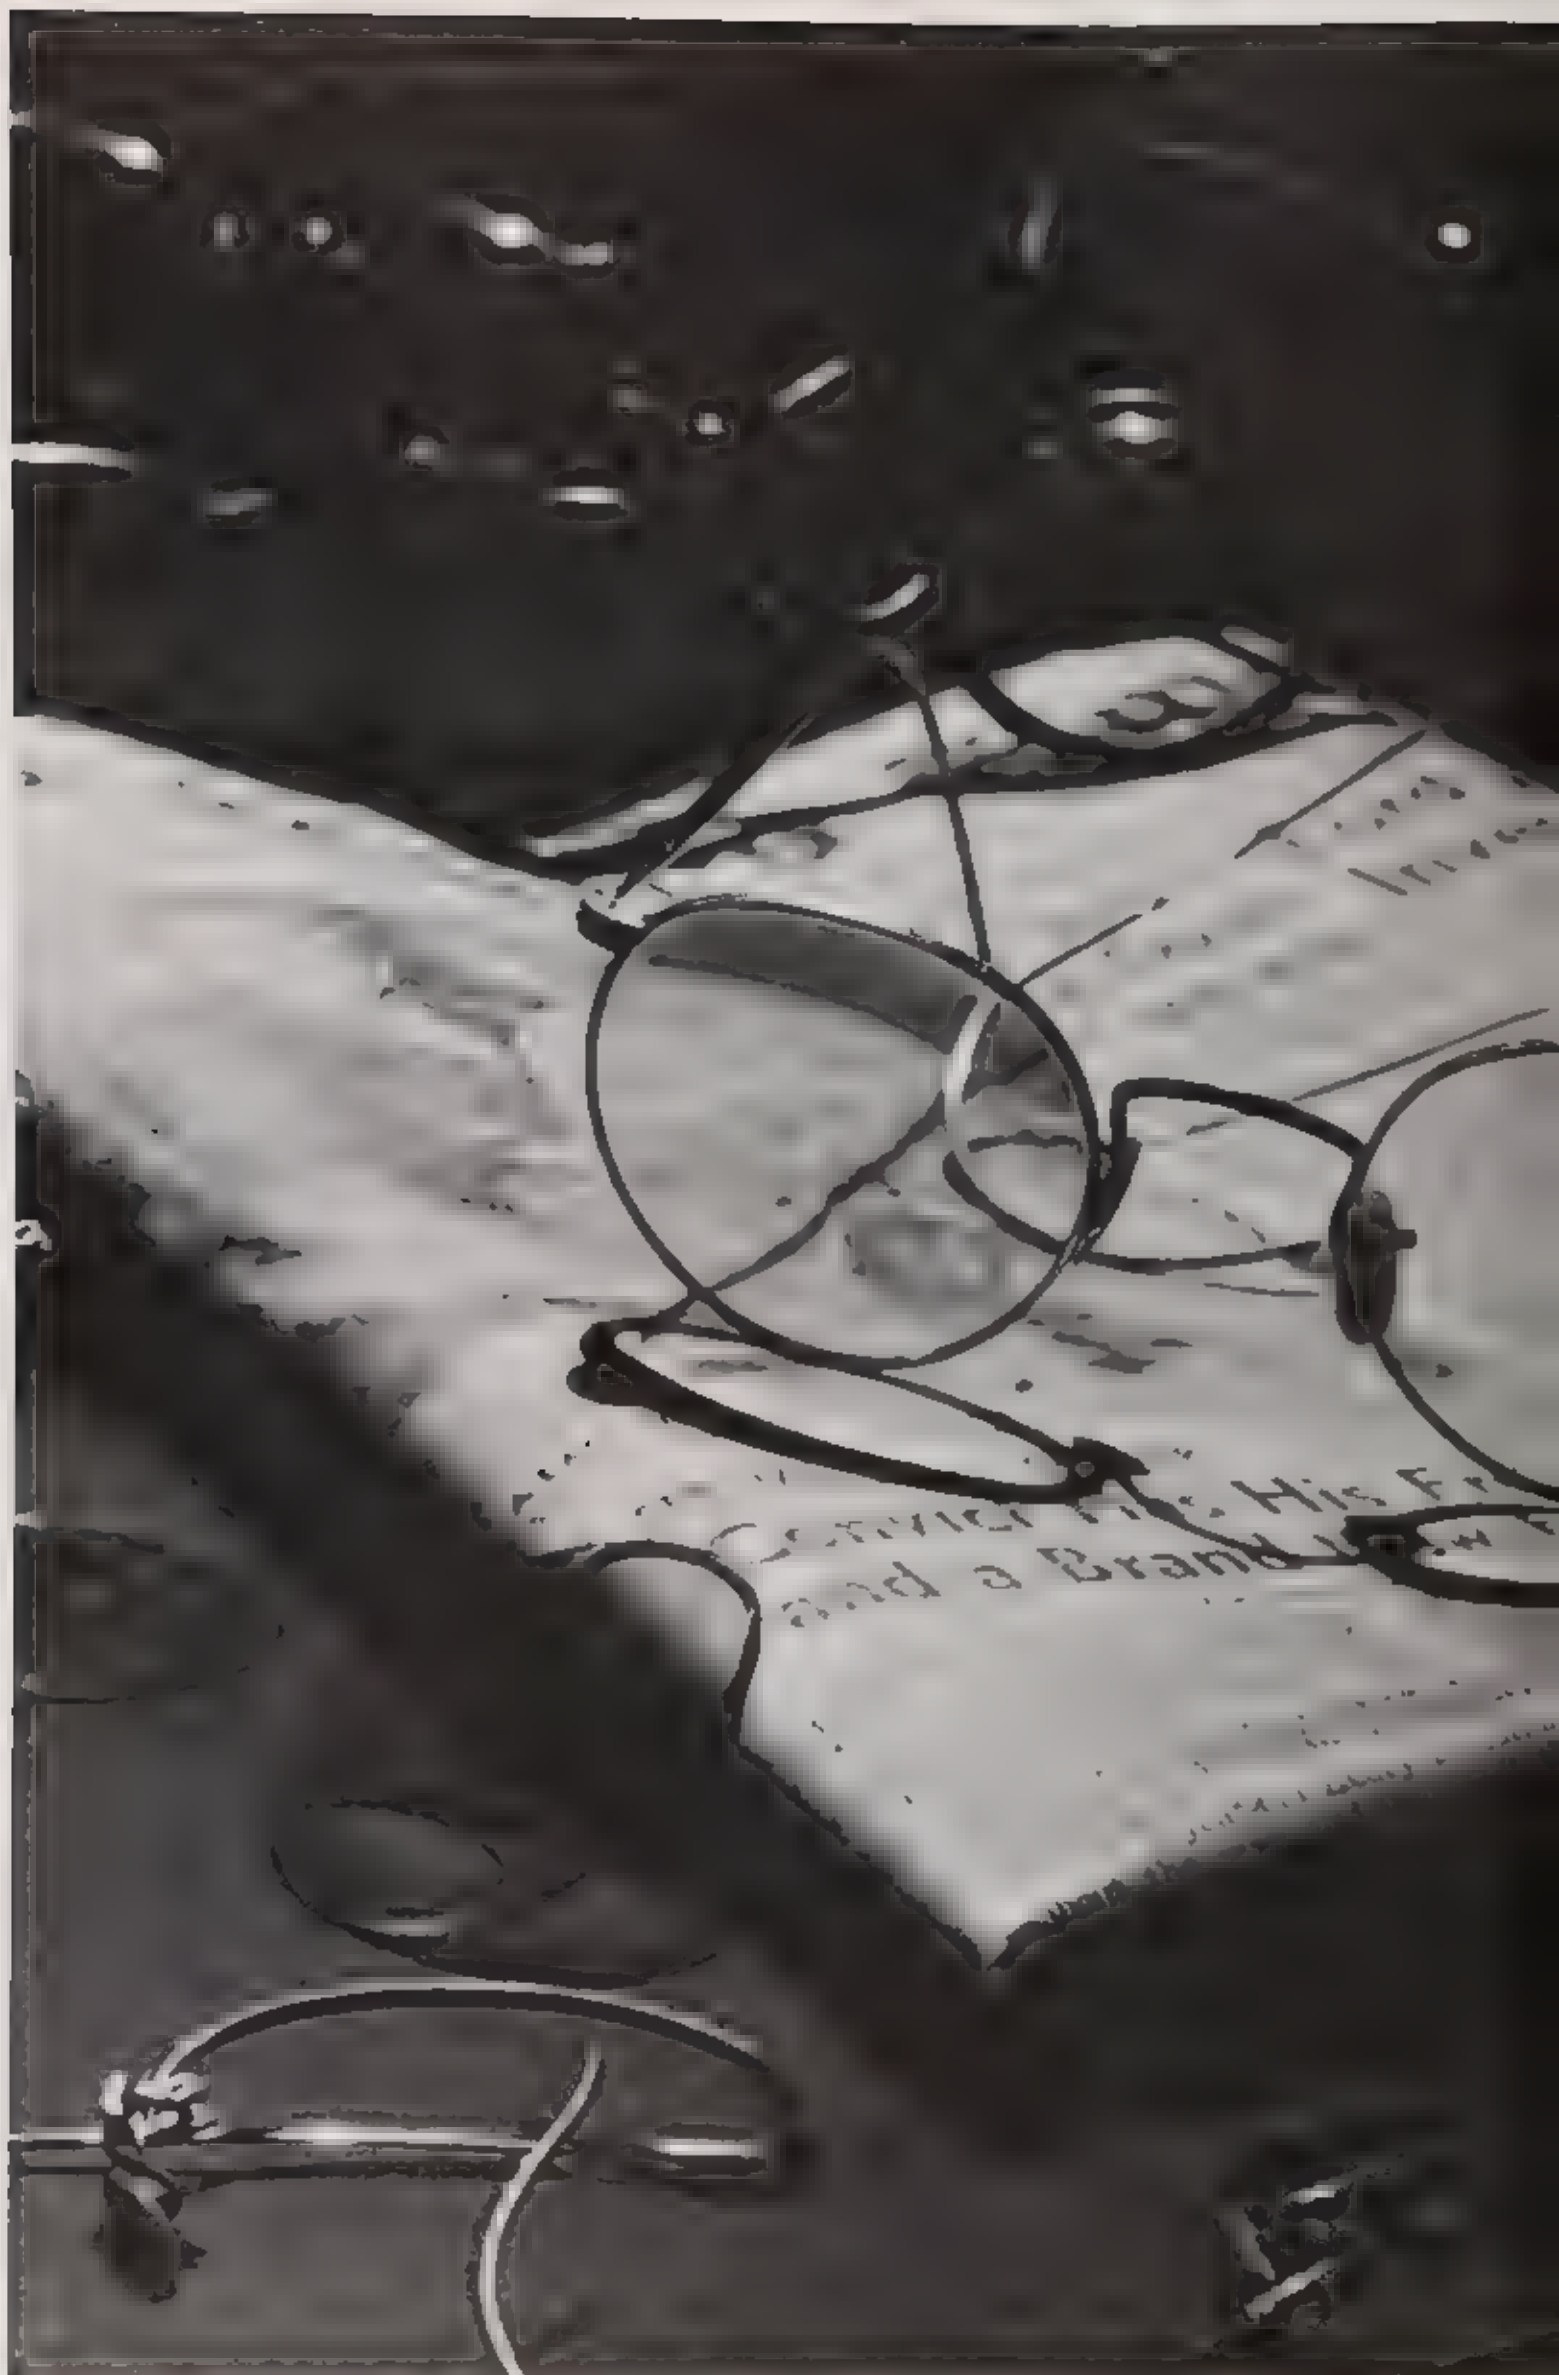

This year's tennis team got off to a slow start because of the improvements that were made on our courts. After school each day the Junior Varsity and Varsity teams were transported by bus to Luther Burbank Junior High School for their daily practice. Even with such an inconvenience the Varsity team walked off the courts with a school record. This year's team was the first in the history of Burroughs to win a match against any of their opponents. The Junior Varsity came out with a better standing in the league at seven wins and six defeats. Their victories were over Crescenta Valley, Blair, Hoover, and Hart.

Coaching the teams were Mr. DAVID JACKSON, LAURA HALE, DOUG FUTRELL and DANNY THOMPSEN.

A.S.B. "KICK-OFF" BREAKFAST ATTENDED BY MEMBERS

A.S.B. President, BRAD ROSS, presided at the annual A.S.B. Breakfast held before the fall semester. Held before sophomore orientation, the get together reunited students and was a success

Number 33, STEVE GRISWOLD leads the team through the spirit sign on the way to another victory for the Indians. MR. GORDON MACDONALD attempts to explain the curriculum to the parents of his students at Back-To-School-Night. Though physics seems to be his speciality, most of the parents had trouble picking it up

Meanwhile, CATHY ANDERSEN demonstrates her professional strategy of setting the ball to her teammate.

The New Girls Tea, held on the senior patio, was a big success this year. The late September afternoon turned out to be the perfect day for the tea. The girls, all new to the Burbank School District and to Burroughs, were invited to come out during their sixth period class and eat cookies, drink punch, and especially to become acquainted with each other. Girls League President, SUZANNE WEGENER, told the girls of the many clubs open to them at Burroughs. Spirit was added to the afternoon by the song leaders, yell leaders, and mascots. Rocking steady to the popular cheer, "Rock Steady", are song leaders DEBBIE SAGESER, KATHY LOWE, and KIM VAN VLACK.

NEW ACQUAINTANCES MADE EASILY AT NEW GIRLS TEA

From the faces of CINDY ROBERTS and CINDI LOGAN, it is easily seen that a good time was had by everyone at the tea. While enjoying their refreshments of cookies and punch the girls were entertained by PRISCILLA OHANIAN, VIKI DECKMAN, and DEBBIE SAGESER, just three of the fifteen song and yell leaders. Congratulations is in order for the Girls League officers who planned this activity.

First semester ASB officers at Burroughs were FROM LEFT, CAROL OSBORN, auditor, TIM MILNER, Vice-President, SUZANNE WEGENER, Girls League President, GARY GLASS, Boys Council President, DEBBIE CONNORS, Legislative Secretary and CAROLYNN CARSON, Executive Secretary

STUDENT INVOLVE

MENT THROUGH COMMITTEES

Committees play an important part in our vast school activities and this year was no exception. This picture portfolio begins in the upper left corner with the A.S.B. breakfast. This was held at the start of school to discuss upcoming business, and with the best assortment of students and faculty this meeting proved to be a remarkable success. To the right of the breakfast is the Publicity Committee. Although their main function is approving or disapproving of different organization's publicity, they also keep students informed with the calendar in the main hall, athletic schedules, and enforce regulations during A.S.B. elections. The lower left corner is occupied by our Election Committee. They set up the election polls and counted ballots with precise perfection. To the right of the Election Committee is our spirited Pep Council. They promoted spirit with paint, imagination, and a lot of after-school hours to make sure their signs would be perfect.

What does it mean to be an Indianette? It could mean attending and performing at the football games, marching in parades, competition, being at school at 7:30 practically every morning, or just promoting school spirit.

One of the familiar sounds heard coming from the girl's gym while the Indianettes and flag twirlers learned their routines was advisor, MRS. CAROLYN WYATT'S "and a one - two - three - four - five - six - seven - eight!"

Captain SUZANNE WEGENER and co-captains LORI ANDERSON, MELODIE BROOKS and CHOI LEW were chosen by the members of the drill team early in May last year. Other officers included CAROLYNN CARSON merit secretary, DONNA IOPPINI demerit secretary, and MARCIE EBERLEIN historian.

One of the highlights of the year was a competition which took place at Arroyo High School. It was there that our drill team received a second place trophy for drill teams with forty members and over.

Along with providing services to the community, the Key Club meets weekly before school to plan activities. Advisor of this year's Key Club was Mr Ken Stiver, while the Burbank Kiwanis sponsored them. Involved in a game of chess are LAURA VOORHIS and RICK BECKWITH. The others STEVE HRONEK, KEITH POULSON, BRIAN SWISHER and RANDY DOPP watched

Performances of various dance movements were presented at the elementary schools by this year's Dance Club. Officers included president LAURY LEBOWITZ, secretary INGRID MAJEWSKI, and historian HELEN PELC while MRS. CAROLYN WYATT was the sponsor. Girls who wanted to participate in intermural sports joined the Girls Athletic Association.

HOMECOMING QUEEN CROWNED

AT BEAT BURBANK RALLY

The Beat Burbank rally achieved its purpose, and was a success. Song and Yell leaders got the student body members all fired up as they led them in cheers against Burbank

Several amusing skits were performed, adding humor to the otherwise tense and apprehensive atmosphere

Then the princesses were named. The first to be revealed was Jill Iverson as third princess. Julie Patterson was crowned second princess. The royal court was completed with Kim Van Vlack as first princess. Finally the long-awaited moment arrived. Amid joyous screams of disbelief, Wendy McElhiney was announced as the 1974-75 Fall Sports Queen

The Queen and the princesses were nominated and elected by the fall sports teams. Queen Wendy and her court reigned at the Burbank-Burroughs game

CIF: A TWO TIME VICTORY

Progressing to the semi-finals in the CIF made history in the city of Burbank. This year's varsity team broke last year's record by advancing to the semi-finals. The first CIF game was a home game against Upland. The final score was 13 to 12. Down in position is the defense which helped to make the victory possible.

After defeating Upland, we then played Bell Gardens on their field. Just about to send the ball flying downfield was punter DAVE RAMOS. The Indians were once again victorious, with the final outcome of 13 to 6. Happiness and excitement of still being number one was shown on the player's faces after defeating Bell Gardens. Giving some last minute advice to RON WOLLARD, CESAR ANGOBALDO, and GREG LANE, was coach BOB DUNIVANT. Star quarterback TOM MILLER spots a receiver before throwing the ball down.

"Toot, toot" shrills the drum major's whistle and the band breaks into their familiar cadence. If not cadence, then it is a song to cheer by or else a song for halftime. Looking back, was there ever a time when the band wasn't at a rally? What would halftime be without the band? And wouldn't the Indianettes look pretty silly in a parade without music? John Burroughs is especially lucky to have a band that is always where they should be. They practice together as a group for at least two hours everyday and who knows how long each member practices on their own? MR. ROBERT ROSE, as their director, has every reason to be very proud of his position. Behind every director is a good drum major. KEN TEANEY and his assistant VIRGINIA BANKER held this position. Marching with the band, the banner carriers spelled out Burroughs and the color guard carried their flags. Even out of uniform the band sounded good.

If music is indeed the key to all happiness, then we at John Burroughs must be the happiest students in the world. We have three instrumental groups that are in the business of making us happy. These are the Orchestra, the Dixieland band and Jazz Ensemble. All three groups have been very active around Burroughs this year. The Orchestra participated in assemblies and the very popular spring festival of music held every year. The Dixieland band provided us with concerts and music. The Jazz Ensemble played concerts and various other activities throughout the year. Their devoted time and effort showed in the many interesting programs and a round of applause for their work accomplished throughout the year.

RALLY COMMITTEE

As a first, for the year, the Rally Committee sponsored "Sweethearts Dance" was not as big of a success as was hoped, yet an enjoyable evening was had by those that did attend. There was a live band and the girls gym was beautifully decorated for the occasion. Shown dancing to the music are crowned King and Queen of Hearts, Steve Griswold and Patti Ginnetti, along with sweethearts Bob Gunnell and Gina Mula. Helping out couples with their tickets was Rally Chairwoman, Helen Pelc. Pictures were offered to those who wished to have them taken.

Under the direction of Mr. Dwight Martin, the three choirs, Treble Choir, A Cappella, and the Senior Concert Choir, all learned to perform with enthusiasm, for the enjoyment of others. The highlights of the year for the choirs, were their annual Christmas performance and this years mini-operetta, "Pirates of Penzance," which was a big success. This was performed by the Senior Concert Choir along with a few other selected students from the A Cappella Choir. Shown are a few back scene shots taken at just one of the many long, hard, rehearsals which were held prior to the performance. Any girl is welcomed into the Treble Choir where the A Cappella and Senior Concert Choirs are selected groups.

ROCK AROUND THE CLOCK

Four raunchy dudes, JIM BOYSEN, DAVE RAMOS, TONY DEFELICIS, and RICH EMANUEL, dressed in the style of the fifties, and played it cool at the A.S.B. Sports night

Back in the not-so-old days of the fifties and sixties, in the fashion world, the rage was full skirts and bobby socks. The styles may not have been exactly "spiffy", but they sure were fun!

Everyone in attendance at the Sports night had a great time. The music and atmosphere provided a fun blast from the past

The dancing which took place throughout the evening ranged from the Jitter Bug to variations of the twist

One two three o'clock four o'clock, rock! KEN TEENY and CAROL OSBORN decided to give it a whirl on the gym floor

"PIRATES OF PENZANCE," SENIOR

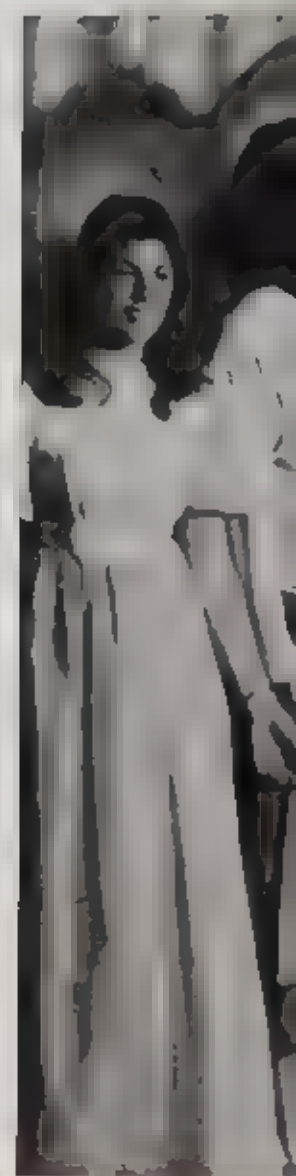

"Yo ho, yo ho, a pirate's life for me." This was the atmosphere at the annual "Music of The Theater" as the Senior Concert Choir presented "Pirates of Penzance." Props were constructed in room 450 where the performance was held. The program could be seen on any of four dates, February first, fifth, sixth, and eighth

Many musical numbers were performed during the scenes with a finale at the end of the production. Featured in the singing of one scene were MARCIE EBERLEIN, ROBIN RUSH, CINDI LOGAN, CATHY ANDERSEN, and MICKI STEELE.

In the last scene JEFF NEAL as Major General Stanley is speaking to the Pirate King, played by MIKE GLICK. In another scene the pirates jump the policemen and a fight results

At far right an apprentice pirate (MARK GLEASON) talks to his nursery mother (CATHY ANDERSEN).

Last is the finale, with the cast in the middle of the picture, and the rest joining them at the end of this fine production.

TERPSICHORE: GODDESS OF DANCE

The 1974 Dance Production Class danced to the theme-Terpsichore (Goddess of Dance). SHARON DAVIES and THERESA CONRAD take part in the finale. WENDY McELHINEY and CHARIE MONT dance to the "Revenge of the Egg Man". Terpsichore herself is the background for the choreographers of all the dances. "Egg Man" WENDY McELHINEY gazes at the audience through her specs. Four "Egg Men" plot out their revenge as the dance progresses. Preparing for opening night was the dance group "Goddesses."

Cutting the ribbon at the grand opening were TONY HOLLAND, YVETTE GRANT and PEGGY HOLLIDAY

Spiking the punch with a bit of the bubbly was YVETTE GRANT while NANCY STEVENSON and STEVE HRONEK looked on

CREDIT UNION GRAND OPENING

This was the first credit union west of the Mississippi. It started January, 1974 with 304 members. During the year the amount saved by all members totaled was \$42,000.00. Loans were so successful that members were given a 6½% dividend. A rebate was also given on the interest of the loan. Being the first credit union of its kind it promoted a lot of interest in the community and was televised as a human interest segment on various news broadcasts.

Vice President, ROGER KULPA and secretary, DEBBIE WILSON present winner of the door prize, CATHY CLARE, her check

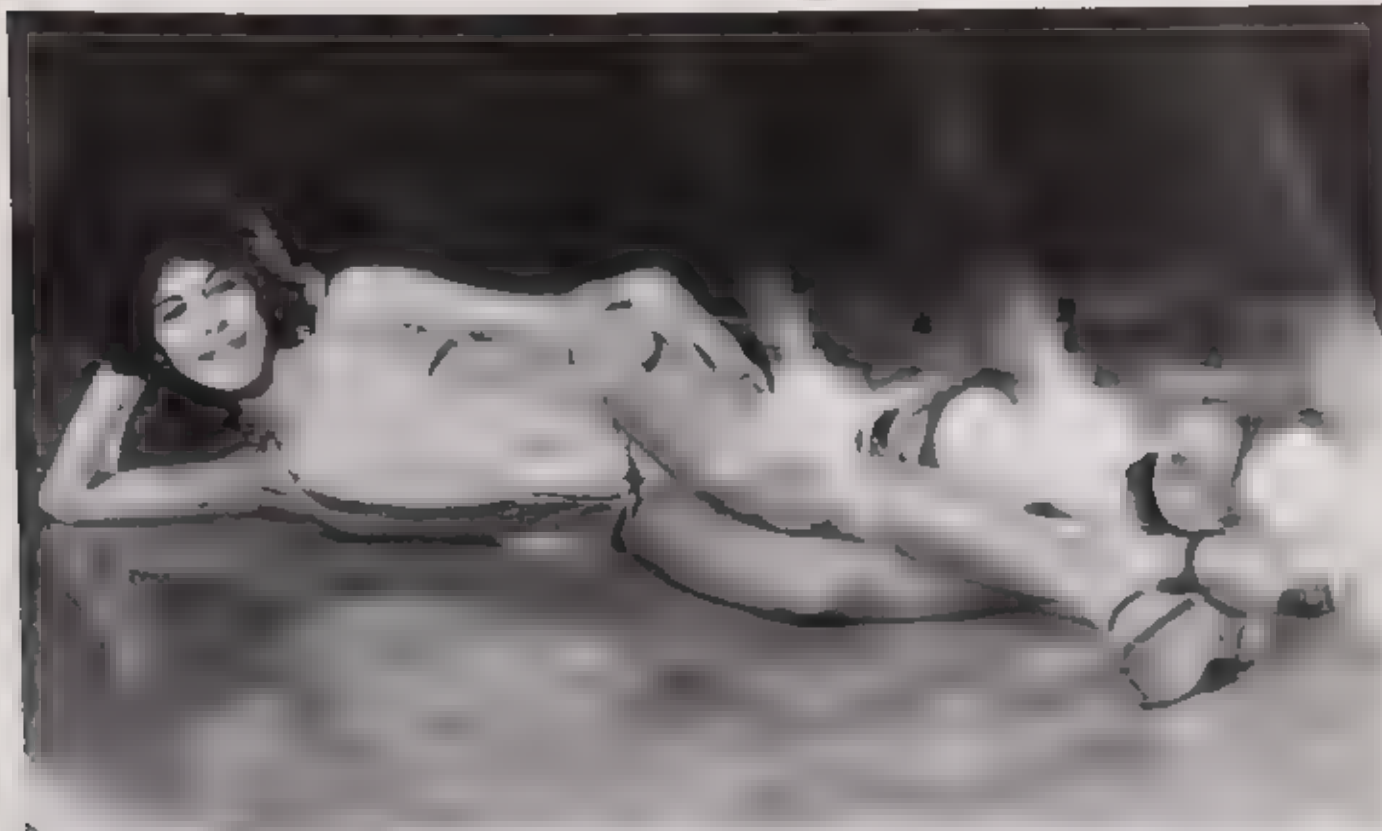

All the board members and some enthusiastic credit members raised glasses to toast their successful venture. Refreshments and new members were obtained at the grand opening

"STAGE DOOR" OPENED WITH

The lights go down and the curtains rise up as Burroughs first stage production begins. It is called "Stage Door" and was written by Edna Ferber and George S. Kaufman. The three act play is set in a theatrical boarding house located in New York, 1930's. The production ran for two nights and was completely sold out on both of them. The show was staged with the combined efforts of all the drama and stage-craft classes under the supervision of Ms. Pat van Hartesveldt. There had been many continuous afterschool rehearsals and many other preparations for this elevating performance. The actual plot of the play is focused on the attempts of young girls trying to break into the show business world.

SMOKE SIGNAL, AKELA AND

Faculty advisor for Smoke Signal is MRS. BETTY TREMPPE. She was especially pleased when Smoke Signal was rated All-American by the National Scholastic Press Association for two semesters. Two members of our Akela Staff, KATHIE HUGHES and RON SPRAGUE worked hard to meet deadlines. When the work is completed the Smoke Signal Staff can relax. Gathered around the editor's desk in friendly discussion are DAN ORTOSKI, LISA DOERING, ROGER KULPA and WARREN ROBAK. Working hard writing copy and meeting deadlines were the talented Akela Staff. They put all of their talents together to create the Akela. Sorting through the written works of art of Burroughs students was the job of the Mantra Staff.

HONORS RECEIVED BY MANY

Bringing thoughts and curiosities to America were the A.F.S. and Y.F.U. students. With the A.F.S. program came YOKO AOKI from Hichinoche, Japan. With the Y.F.U. program were EFI BATALOGIANNI from Kavala, Greece, KATRINA HEIKKILA from Ruama, Finland, RAINER UNTERBORSH from Bergish-Gladbach, West Germany, and KIRSI ESKELINEN from Kuopio, Finland. In the music field KEN TEANEY was honored as drum major. Changing tradition in the Akela were co-editors ROBIN KLEEMAN and DANA BRANDT. Editing the Smoke Signal was ROGER KULPA and WARREN ROBAK. With scholastic honors were seniors BRIAN SWISHER, MARC TRUDEAU, BRIGID MURPHY and PAT DELANEY. These four were the top scoring Burroughs students in the PSAT/NMSQT. To learn about the state government five students traveled to parts of California. These students were SUZANNE WEGENER, TIM MILNER, RANDY LAWS, PAUL GRABER, and ROGER KULPA. Leading the whole group was first semester A.S.B. President, BRAD ROSS.

In this cast picture from Adaptation, the Games Master is waiting for the contestant to answer a question

JO ANN SCHAD was a resident of the mental institution who thought she was Joan of Arc. She kept hearing voices and complained that her pants were getting rusty

MEREDITH BAKER and JEFF ABBOTT played many parts in Adaptation. In this scene they played the contestant's parents and are laughing about one of his comical exploits.

INDIAN CAGERS

Varsity Coach BRIAN HURST gives his reflections of the season which had ended with the Varsity having a league record of 7-7

Junior Varsity Coach RICH GRIMES praises his athletes for their Foothill League championship season of 11-3

Members of the Junior Varsity anxiously await the presentation of their letters so they can get off the stage

HONORED AT ANNUAL BANQUET

Key members of the Varsity squad, TONY DE FELICIS, ED FLOCK, JOE PAULO, PAUL SUTTON, and PAUL GRABER await the letters

Sophomore Coach BOB CANFIELD tells the audience of his always hustling team which finished third in the 74-75 season.

BANQUET:

FINALE TO FOOTBALL SEASON

A banquet was held to bring an end to the football season. The purpose of the banquet was to give recognition to those who had excelled in the sport and also to recall to memory some of the highlights of the season. The seven basic awards consisted of Most Valuable Player, Iron Man, Most Valuable Offensive and Defensive Back and Most Valuable Offensive and Defensive Lineman. The three Most Valuable Players were TOM MILLER, varsity, BOB PASTORA, junior varsity, and KEVIN BURKE, sophomore

Chosen by the varsity team as the Most Valuable Offensive Lineman was RON WOLLARD. Coach BOB DUNIVANT presented him with the award. This year Burroughs had two champion teams, the varsity and the junior varsity. Letters were also given at the banquet. The J.V. players received their letters from Coach KEN TADA. Being congratulated by the coaches was TOM MILLER, MVP for the varsity team. All smiles was JOHN CARRIGNAN when he received Most Inspirational for the J.V.'s. Accepting his award for Most Valuable Defensive Lineman was PAT GALBRAITH.

CHRISTMAS

This year the Backwards Dance was held December 7th in the girls gym. There were 220 couples in attendance at the dance making it one of the most successful ever. Pictured above is King Irresistible, JEFF STONE, with his date, LINDA LOGAN. The King's court consisted of Knight Knockout, Warren Galloway, and Prince Charming, Stacey McIntosh. Waiting patiently for the music to commence were some of the couples who graced the gym floor that evening. Anxiously awaiting the click of Mr. Packard's camera were CAROL COFFMAN and LOL WESTGATE. They were just one of the many couples that used this traditional service. The band supplying all the musical entertainment for the evening was "Loop City". The combination of the band and the girls league helped make the theme, "Christmas Dreams," come true.

DREAMS COME TRUE

DRILL TEAM SHOWS

THEIR "IMAGINATION"

The Drill Team clowned around at this year's drill review, "Imagination". Imagination ran two nights, January 19th and 20th, and featured, of course, the Indianettes, as well as the flag girls and majorettes. Pictured at the top left are DANA BRANDT and LORI SOLIS, dressed in colorful clown outfits, they performed their routine "clowning around". There were routines performed to the Banana Spilts theme song, Beach Baby, Smoke on the Water, Chipmunks, Shaft, Kung Fu Fighting, and I Wanna Hold Your Hand. The five hundred dollars which the drill team raised will be put toward head dresses for next year's drill team. MELODY BROOKES performed her awardwinning routine from "Miss Drill Team U.S.A.". The girls made the routines up themselves and for all, it was a very successful review.

What is a yearbook? To us it is a book of memories. Through the Akela we hope that the graduating seniors can look back and remember some of the best days of their lives. We also hope that the juniors and sophomores can turn back and remember their beginnings at Burroughs. There were a few people who need to be thanked for all their hard work that went into putting this yearbook together.

Thanks to...

Packard Photography

All photography students especially
 advanced photo.

Special thanks to...

Mr. Tim Brehm, the photo advisor who
 made pictures possible

The Akela Staff

Mr. Conley Mc Laughlin our advisor
 and extra-special thanks...

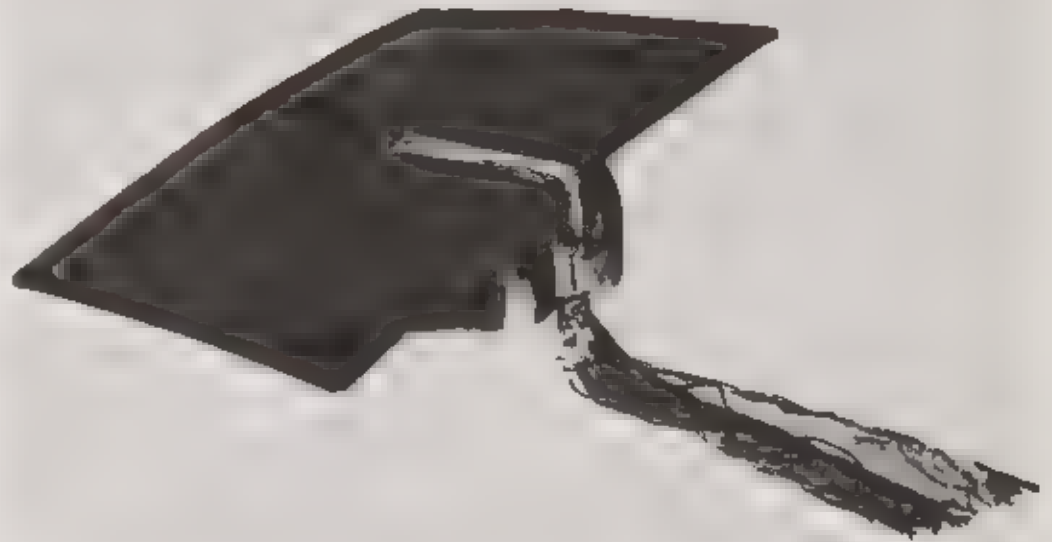

For the help we gave each other

LUCK TO ALL!

Love always
